Your Sponsorship Makes a Difference

Since opening in 2017, Open Door has been providing lifesaving services to over 600 individuals. Our Center is growing and changing at a rapid pace recently adding a second location in Pittsburg in January. This event is a great opportunity to help us continue to grow and for you to join in what God is doing here.

We are asking you to consider supporting Open Door by sponsoring and/or participating in our annual Skeet for Baby Feet sporting clay competition. The funds from this event will be used to support our yearly operating budget, make building improvements, expand current programs and implement new exciting programs.

Life Happens Here!

With the new Heartbeat Law and the overturn of Roe vs. Wade, women in Texas, now more than ever, are finding themselves struggling with unplanned pregnancies. At Open Door, we strive to come alongside them with hope, providing them with resources, support and encouragement.

Thank you for your consideration and generosity.

Your support enables Open Door Resource Center to reach more expectant parents and families with the help and support they need.
